家具之间的关系，更多在写意

The poetic sense reveals the relation of the furniture. The real article set off the sense of inspiration. The color of pink conveys a meaning of sense and sensibility; reveal a holy, pure state of mind. The connotation is profound, the appearance is mild, the bosom is broad and solitary, simple and natural.

简约素雅的空间中不需有繁杂的装饰

The furniture with original color of solid wood is preferred by tasteful people. They like the quality feels and the dense texture. The light fragrance of the timber is the charm of return to nature. Solid wood furniture created by modern technique displays the fashion in detail, being the favor of youth.
